

Pickleball Instructions and Rules

Pickleball Rules

- No tape, chalk or any other temporary lines that mark the courts are permitted. Existing tennis court lines can be used for pickleball in lieu of creating specific line boundaries for pickleball (see diagram) 
- No adjusting net height. Please use the existing tennis court height.
- Limit play to 90 minutes when the courts are busy. Reservations take priority over walk on use.
- Instructions, temporary line markers for the kitchen, paddles and balls are available at the front desk.

Instructions for Court Dimensions

- Use provided line markers to create the kitchen lines at position #1 (red) on both sides of the net.
- Use the dotted lines (yellow) in diagram for pickleball court lines.
